## Conviction <http://biblehub.com/john/16-8.htm>

People are obviously at a disconnect between how wicked we really have become (by forcibly putting the knowledge of the Creator away from us) and how wicked it is to ignore or otherwise disregard the sacrifice of Christ in their own behalf. People who don't know the Creator are already partaking of darkness, ignorance, that which makes for the suffering of hell. We lock up rapists, murderers, etc. we even shun such persons as stand and watch while atrocities are being committed (like the whole world today; except for the few speaking out against such crimes against humanity) our whole culture is soaked in greed, blood soaked bills, people screaming for their rights to murder their own babies; there won't be anyone in hell who doesn't deserve to be there. Furthermore, when we write a paper we don't like we erase it or even crumple it up; when artists are molding clay and it doesn't shape to their satisfaction they have the prerogative to lump it up and start over. The Eternal Creator if He is not satisfied with His Creation can and does do just that. In light of the ubiquitous scientific evidence it would behoove such persons to embrace the instinct of self preservation and get with the program; because if as they write He has wiped the face of the earth from all wickedness, men, women and children and science supports that has in fact occurred then it is utter foolishness to anger such Great Power knowingly and intentionally. I have been in the Presence of God and the Resurrected Christ and they are indeed Worthy and Holy and I tell you the many murdered victims, the many raped victims, the many robbed, abused, oppressed starving victims of this cold, apathetic and cruel world would accuse God and rightfully so if He did NOT confine the unrepentant, heartless, thoughtless, willfully ignorant souls who hurt them directly or indirectly by being apathetic when a tiny effort on their part could've arrested such evil on earth. The victims in the hereafter could rightly accuse the Almighty of being even sadistic if he did NOT confine the unrepentant, selfish, greedy souls who cared not that the ONLY sinless and truly loving Being in the Universe suffered and died for them. Rulers of this world slaughter their enemies and history is replete with such examples and yet the Creator of the Universe is supposed to welcome the rapists, robbers, murderers, blasphemers, who did His Messengers and Children great harm and who otherwise did not so much as utter a word in their defense but in their supreme arrogance spoke evilly of their own Creator, the Lord of the Universe. No my friends, no one who ends up in hell will be in any doubt as to why they are there, and all who are thrown into the Lake of Fire will be such as had their entire lives to call upon the Living God and ask Him to mold them and make them into something excellent but refused to do so; in order so they could be comfortable in their own wickedness. The Loving God tries the souls of all persons during the journey of incarnation but in the hereafter not one wicked person will ever again be free to harm His innocent children and those wise enough to repent and ask their Maker not only to save them but transform them into something excellent; something that can stand in His Holy Presence with Joy for all Eternity. I am Michael and I am asking the Creator of the Universe to do just that for me; will you join me on the path to transcendence and righteousness today? will you join me this very moment? Call upon the Resurrected Christ to do just that wherever you are...Call upon Him Now. Amen and Amen.
