Primarily due to a disregard for accurate history; the founders themselves would be in danger of persecution from the present misinterpretation of the liberties they fought for and penned in our US Constitution.

It's IMPOSSIBLE to separate GOD from His Creation! It is IMPOSSIBLE to separate CHRIST from a Christian! It is IMPOSSIBLE to separate religion from mankind (everyone is religious by definition and by Intelligent Design); so it is IMPOSSIBLE to separate church and state! One religion/worldview or another will be in the hearts and minds of mankind always! LET IT THEREFORE BE THE ONE TRUE

GOD! <http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756> and In His Holy and Omnipotent Name let all <http://www.facebook.com/notes/michael-swenson/stupidity/527894057289558> now come to an end! Amen.

<http://www.freerepublic.com/focus/f-news/987191/posts> the First Amendment was never intended to cause our nation to depart from Christ; the founders only intended that the state not dictate to Americans how to worship the One True GOD. <http://www.facebook.com/notes/michael-swenson/no-more-brainwashing-no-more-lies-science-proves-who-god-is-part-1/518695411542756>

History records: "Those discussions—recorded in the Congressional Records from June 7 through September 25 of 1789—make clear their intent for the First Amendment. By it, the Founders were saying: "We do not want in America what we had in Great Britain: we don't want one denomination running the nation. We will not all be Catholics, or Anglicans, or any other single denomination. We do want God's principles, but we don't want one denomination running the nation."

This intent was well understood, as evidenced by court rulings after the First Amendment. For example, a 1799 court declared:

"By our form of government, the Christian religion is the established religion; and all sects and denominations of Christians are placed on the same equal footing."

Again, note the emphasis: "We do want Christian principles—we do want God's principles—but we don't want one denomination to run the nation.""

Too many today wrongly interpret their meaning to be inclusive of false gods, worldly religions, even worldviews that oppose the founders' and the very reasons for their sacrifices and bloodshed... <http://shop.wallbuilders.com/the-american-heritage-series-10-dvd-boxed-set> and <http://www.wallbuilders.com/libissuesarticles.asp?id=78>

1) "separation of church and state" exists no where in the Constitution <http://www.freerepublic.com/focus/f-news/987191/posts> in the context of Jefferson's letter <http://www.loc.gov/loc/lcib/9806/danpre.html> makes it perfectly clear that even his view was that the state should NOT interfere with Christian practices!

"I reciprocate your kind prayers for the protection & blessing of the common father and creator of man, and tender you for yourselves & your religious association, assurances of my high respect & esteem."

-Th Jefferson Jan. 1. 1802.

So it is easy to see atheists have perverted the intent and meaning 180 degrees from that which is historically recorded by our founding fathers and then current opinions of the Courts.

2) no where in the United States is a "religion free zone"; especially public education <http://whitel.people.cofc.edu/ClintonSchoolReligion.htm...&>

3) It is IMPOSSIBLE to separate church and state as it is to separate personal beliefs from people and ultimately our Creator from Creation. To ATTEMPT to silence one persons view of religious expression AUTOMATICALLY establishes someone else view of religious expression (including the nonsense now being taught in public education of Darwinian evolution leading to the insane religion of atheism) People need to discard the notion of what they think of as "religions" and realize ALL worldviews (even and especially atheism) can be classified as "religious" in nature and scope. In realizing that censorship of expression; even religious expression, is an attempt to modify by forced indoctrination/brainwashing the self-awareness and self-identity of the person(s) who are so censured; there is a denial of their own existence and the absolute right to express themselves as they are; which is a God given; basic humanitarian right; that should be protected and encouraged ESPECIALLY IN A PUBLIC EDUCATION SETTING! help people not to present themselves as <http://www.facebook.com/notes/michael-swenson/mentally-challenged/575010789244551> by teaching the Truth! <http://www.facebook.com/notes/michael-swenson/evidence-of-god-our-creator/568134419932188> and <http://www.facebook.com/notes/michael-swenson/the-sufferings-of-christ-a-treatise-on-repentance-and-forgiveness/556880667724230>

America can not remain the land of the free and home of the brave; so long as we allow others to ignore those principles upon which our nation was founded and pervert the true intent and meaning of the rights afforded us by the honorable blood shed for American Independence.
